

# EAR NOSE THROAT

Region Värmland, Sweden

## ABOUT THE REGION

Värmland Region is a county in west-central Sweden. It borders the Swedish counties of Dalarna, Örebro, and Västra Götaland, as well as the Norwegian counties of Viken and Innlandet to the west.

Region Värmland strengthens public health and develops healthcare to contribute to a world-class quality of life for Värmland's 290,000 inhabitants. They run health centers throughout Värmland and have three emergency hospitals: Arvika, Karlstad, and Torsby. The workplace is in Karlstad city.

## Main responsibilities and expectations

- Karlstad Central Hospital functions both as a county hospital for the whole Värmland region and as a local hospital.
- The healthcare centers are knowledge-based and appropriate, personalized, efficient, and equal. The hospitals work with person-centered care based on the needs of the individual patient.
- The largest patient groups are cardiology (including pacemaker patients), stroke, diabetes, gastroenterology, and hematology patients.

## What's expected of you

- To be a specialist in ENT.

## Salary and Conditions

- The salary is negotiated individually.
- Attractive salary.
- 25 days of vacations.

## MEDICARRERA OFFERS

- A free visit to see the place where you will live and work and meet future colleagues.
- A free preparing and intensive language course.
- A free intensive language course for partners and children in school age. Kindergarten for the youngest.

Facts and information about Sweden -> [Click here](#)

Värmland is an energetic, creative, welcoming, and open place where you can live a better life. Here you work and live surrounded by wild nature with roaring deep forests, calm lakes, lively rivers, and beautiful farms. But also an open and welcoming environment, an international business community, a strong storytelling tradition, inspiring culture, sports, and outdoor life, and an innovative university.

Karlstad is a city, the seat of Karlstad Municipality, the capital of Värmland County, and the largest city in the province of Värmland in Sweden. It's known for neighboring Lake Vänern to the south, dotted with tiny islands.

Karlstad Central Hospital provides highly specialised care that most people only need at a few points in their lives. There are twenty different specialties, including gynecology, renal medicine, pediatrics, surgery, and oncology.

There are around 500 beds. The hospital employs about 3,800 staff, including around 500 doctors, 1,300 nurses and midwives, 80 physiotherapists, 750 nurses, 750 laboratory staff, 255 health administrators, and 350 service staff.
